Re: FASEB Summer Research Conference on "Chromatin and Transcription"
June 1995
Snowmass Village, CO

Dear Dr. Hashim:

I am writing to thank you and the CTR for the generous contribution of \$2000 for partial support of the 1995 FASEB Summer Research Conference on "Chromatin and Transcription." As I am sure you know and appreciate from the impressive list of speakers, it will be the major meeting on this important topic that will be held in 1995. We will expend the funds in accordance with the guidelines of the CTR, and specifically, funds will not be used to reimburse expenses incurred by participants from the industrial sector.

Thank you again for your support of this important conference, and we will gratefully acknowledge your contribution in the meeting program.

Yours sincerely,
